

## **COPPER RESOURCES CORPORATION**

### **US\$15 million project finance facility**

The Board of Copper Resources Corporation (AIM: CRC.L) (the "Company") announces that further to the results announcement made on 30<sup>th</sup> June 2008, which made reference to the provision by Metorex Limited of a short-term US\$15 million project finance facility, the independent director of the Company, Mr Robert Fischer, considers that the terms of this facility are fair and reasonable insofar as the Company's shareholders are concerned, having consulted with the Company's nominated adviser, Nabarro Wells & Co. Limited.
